RE: Co-op Mining Company
Bear Creek Canyon Mine
ACT/015/025
Emery County, Utah

The above mentioned operation was visited on February 4, 1982, by Joe Helfrich, Dave Darby and Gilbert Hunt from the Division. They were not accompanied by an employee representing the Co-op Mining Company. However they were granted permission to tour the minesite. Technical staff members had little or no concept of the general layout of the Bear Creek Canyon operation due to the lack of material submitted in Co-op Mining Company's permanent mine plan submission.
